# README:

hi!

my site has audio so please have headphones in - if you can't hear audio it may have something to do with your browser's autoplay settings.

if you're struggling navigating with the flashlight, make your window smaller.

enjoy!

**beginning**

...up too late to  
coding, body is  
2. My website has  
come far. Everything  
makes sense now (sort of).  
Until now, this semester  
has been easy. I'm  
starting to feel the  
stress. J
